CALCULATING THE PAYOUT

GENERAL BONUS CALCULATION
Agent's total bonus points is the sum of all points from the five computing elements. The share of the General Bonus Pool is determined by agent's points relative to the total corporate bonus points.

145 BONUS CALCULATION
Based on the agent's total direct 145 eligible volume compared to the total 145 corporate volume. The agent's portion of the 145 reserves is derived from this comparison.

TOTAL PAYOUT
The agent's final payout is the combination of bonuses from the General Bonus Pool and the 145 Bonus Pool.

ANY VP RECEIVING A BONUS MUST BE IN GOOD STANDING WITH UNITY LIFE GROUP. ULG RESERVES THE RIGHT TO SUBTRACT ANY LEAD DEBT, CARRIER DEBT, OR ANY OUTSTANDING BALANCE THAT WAS ROLLED TO ULG FROM THE VP BONUS. GLOSSARY

VP BONUS PROGRAM · PAGE THREE OF FOUR

Monthly Annual Premium: Total Life annualized premium for a specific month.

Bonus Pool: Funds reserved monthly for manager bonuses, calculated as 4.5% of the monthly annualized premium.

General Bonus Pool: 75% of the Bonus Pool, allocated for all eligible bonus recipients.

145 Bonus Pool: 25% of the Bonus Pool, designated for individuals who promoted direct downlines to a 145 compensation level.

BP Growth Rate: Comparison of the current month's bonusable premium to the highest value over the past 12 months.

Eligible Bonusable Premium (EBP): Bonus premium credited to a producer, considering production across carriers and 1st leg rule.

Qualified Bonusable Premium: Determined by applying the growth rate to the Eligible Bonusable Premium (EBP). For bonus eligibility, a minimum of $150,000 in Qualified Bonusable Premium is required.

Corporate Bonusable Premium (CBP): Total of all qualified bonusable premiums.

% of CBP: A producer's qualified bonusable premium as a percentage of the CBP.

Bonusable Premium Bonus Points: Points associated with the bonusable premium element.

Corporate BP Bonus Points: Total of all individual Bonusable Premium Bonus Points.

Direct Legs: The total number of direct producing legs within a month. Points are calculated by dividing the number of legs by 6, with a cap of 5 points as the maximum achievable.

Net Direct Writers: Difference between the current and maximum number of direct writers over the past 12 months, with points as per the points table.

of Direct Non-VP: Count of non-direct VPs with a team volume of at least $10,000, with points as per the points table.

Persistency: Persistency score is an average between short term and long-term persistency values for all producing agents in the downline.

Points Table: Defines the relationship between levels and points for specific computing elements.

145 BONUS BREAKDOWN

Bonus on any 145 Direct VP. Must maintain at least **$150K Bonusable Premium outside of your top 2 VP legs** to be eligible for the 145 VP Bonus. 145 eligible volume credit is based on 1st leg percentage — see the 1st Leg Rule for percentages.

5-WEEK MONTH EXAMPLE

$500,000 BP ÷ 5 weeks = $100,000 BP → × 4 = **$400,000 BP**.
A direct VP leg at 50% of volume ($200,000): Credit = $100,000 · BP = $300,000.

INTRODUCTION

Focus: **Agent #5**
Corporate Monthly Life Annualized Premium (AP): **$10 million**
Bonus Pool: 4.5% of Life AP = **$400,000**
General bonus pool (75% of Bonus Pool): **$337,500**
145 bonus pool (25% of Bonus Pool): **$112,500**

ELIGIBILITY CALCULATION

Bonusable premium is calculated for each producer — the **eligible Bonusable Premium**. Bonus premium growth compares the current month's eligible Bonusable Premium against the maximum over the last 12 months.

For Agent #5: growth at **0.8%**, qualifying for **85%** of the eligible Bonusable Premium ($100,000), resulting in **$995,000** — the Qualified Bonusable Premium.

AGENT #5'S PROFILE

145 Volume: **$100,000** · Direct Non-VP: **0**
Direct Writing Legs: **25** · Net Direct Writers: **3**
Persistency: **50.99%**

POINTS CALCULATION

Bonusable Premium Points
% of Corporate BP: $995,000 / $3,765,000 = **15.80%**
% of Maximum % of Corporate BP: 15.80% / 21.25% × **7425**
Points: 7425 × 30 = **22.3**

Direct Non-VP: 0 points — a minimum of two is required to receive 1 point
Direct Legs: 25 ÷ 6 = **4.2**
Net Direct Writers: value of 3 — **2 points** per the points table.
Persistency: 50.99% average — **0 points** per the points table.

TOTAL POINTS & PAYOUT

Total Bonus Points: 22.3 + 4.2 + 3 + 0 + 0 = **29.5**
Bonus Pool Payout: (29.5 ÷ 254.6) × $337,500 = **$39,115.61**
145 Bonus Payout: ($100,000 ÷ $760,000) × $112,500 = **$14,423.08**

TOTAL BONUS PAYOUT $53,538.69
